Re: Notice of Ex Parte Presentation, CG Docket Nos. 10-51 and 03-123

Dear Ms. Dortch:

On February 28, 2017, representatives from Video Relay Service (“VRS”) providers CSDVRS, LLC (“ZVRS”); Purple Communications, Inc. (“Purple”); ASL Service Holdings, LLC, dba GlobalVRS (“GlobalVRS”); and Convo Communications, LLC (“Convo”) met with Claude Aiken, Legal Adviser to Commissioner Clyburn. Attending the meeting on behalf of the VRS providers were Jarrod Musano, CEO, and Jeff Rosen, General Counsel for Convo; Angela Roth, President & CEO (via phone), and Gabrielle Joseph, COO (via phone) for GlobalVRS, together with their consultant Andrew Isar (via phone); and Sherri Turpin, CEO, Michael Flanagan, CFO, and Gregory Hlibok, Chief Legal Officer for ZVRS and Purple, together with their counsel Jennifer Richter and Gregory Simon.

The VRS providers discussed the need for VRS rate reform in order to foster innovation by and investment in non-dominant VRS providers and to promote competition and consumer choice in the VRS market. The VRS providers urged the Commission to issue a Further Notice of Proposed Rulemaking on VRS rates by the end of March 2017 in order to expedite the notice and comment period with the goal that a rate reform Order could be issued by June 30, 2017, the end of the current rate year. The VRS providers also discussed their joint VRS rate proposal filed in the above-referenced dockets on January 31, 2017.¹

Respectfully submitted,

/s/
Gregory Hlibok
